

The easiest way of letting your residents know about their insurance cover at uni.

Introducing Endsleigh Hub

We understand that for many of you, insurance will be the last thing you want to worry about for this upcoming academic intake!

So, we're doing all we can to make our insurance communication with you and your residents as easy and as straightforward as possible.

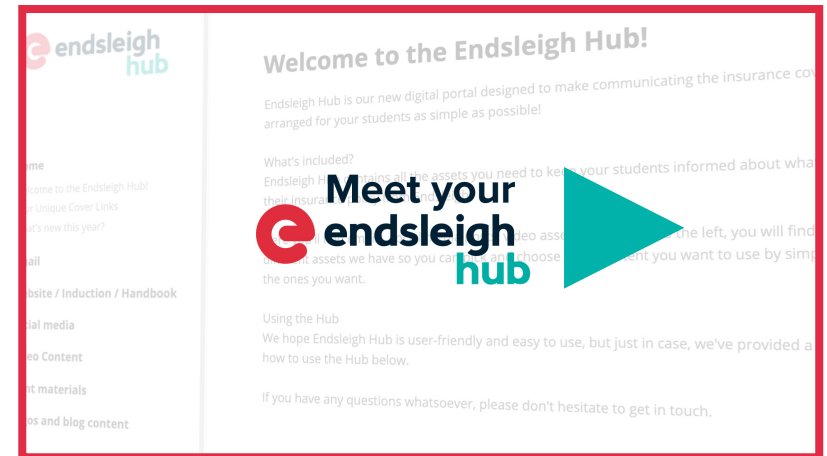

This year, we've created **Endsleigh Hub**, a brand new digital portal containing all the emails, social media content and other digital assets we need you to share, available to download whenever you need them.

It's really easy to use! Just click on the play button opposite to watch a short explainer video and see *Endsleigh Hub* in action.

This means more streamlined communication between Endsleigh and your team, giving you more time and space to focus on other matters.

What You Need To Do Now

We need to set up your Communications or Marketing team / person with a log in to the platform, so please ask them to provide their contact details here: endsleighhub.co.uk and we'll take it from there.
