Section 3

Reg	Original	Transitional
3.5.3	Where a module has a pre-requisite (see 1.3.4) students must ensure that they have passed this before they commence study on the next module. If the pre-requisite has not been passed credit will not be granted for any assessed work submitted.	Where a module has a pre-requisite (see 1.3.4) students must ensure that they have passed this before they commence study on the next module. Pre-requisites may be a composite of one or more previous modules, or achieved via module learning outcomes across modules already passed.

Section 4

Reg	Original	Transitional
4.5.4	Students who have exhausted all available resit opportunities without achieving an overall pass grade will be deemed to have failed the module. Students who fail a module will be permitted to retake it, subject to the relevant progression and continuation regulations (Section 5 of these regulations).	Students who have exhausted all available resit opportunities without achieving an overall pass grade will be deemed to have failed the module. Students who fail a module will be permitted to study the identified equivalent as a retake, subject to the relevant progression and continuation regulations (Section 5 of these regulations).
4.5.5	The University cannot guarantee that all modules will be available to be taken again. Where a module is no longer available the student will be required to take an alternative replacement module.	Students on courses transitioning from a 20 to 30-credit structure will not be able to retake the same module in the case of failure. Instead, students will be required to retake the relevant new module with their maximum mark for the module capped.
